

BRONZE COUPLERS

TYPE CXT

Bolted Expansion
Pipe Main to Pipe Tap

Castings: Electrical Bronze

Laminations: Copper

Mounting Hardware: Silicon Bronze

Bronze alloy expansion coupler for copper pipe connections. Clamping bolts have hex-stops for one-wrench installation.

If guide is to be omitted, add suffix "-NG" to the catalog number.

Example: CXT-3030-NG

Add suffix (H) to catalog number for schedule 80 pipe.

Example: CXT-3030-H

For tinned braid shunts add suffix "B" to catalog number.

Example: CXT-3030-B
