

BRONZE TERMINALS

TYPE SFFT

Expansion
Pipe to Flat

Castings: Electrical Bronze
Laminated Straps: Copper
Hardware: Silicon Bronze
Options: See Page 194

Bronze alloy semi-flexible laminated terminal with hex head clamping bolts for connecting copper pipe to flat. Clamping bolts have hex-stops for one-wrench installation. Laminated straps are factory bolted to connector tongue. Tongue and strap holes have NEMA drilling.

NOTE: This connector is not recommended as a support member.
